WHEREAS, by Ordinance No. 36287 passed on January 17, 1969, the City Council initially approved by the Plan for the Plan Area; and

WHEREAS, pursuant to Section 99.450 of the LCRA Act, the Authority issued and published a Request for Redevelopment Contract Proposals for the implementation of a redevelopment project for certain real property within the Plan Area (the “Project Area”); and

WHEREAS, Flint Development, LLC, a Kansas limited liability company (“Redeveloper”), submitted a timely proposal to the Authority to implement the Apartment Project consisting of: conversion of the 12-story, historic Muehlebach building located at 1200 and 1212 Baltimore Avenue into an approximately 158-unit apartment building, with at least ten percent (10%) of the units set aside for tenants earning less than eighty percent (80%) of the area median income (hereinafter the “Project”). As proposed by the Redeveloper, the Project is modified by reducing the number of apartment units from approximately 190 units to approximately 158 units, which is the result of the Redeveloper’s plan to develop larger unit sizes than the Original Redeveloper planned; and

WHEREAS, the Authority received no other redevelopment contract proposals to implement the Project and the Authority selected the Redeveloper as the redeveloper for the Project by its Resolution No. 5-1-25 dated May 29, 2025; and

WHEREAS, the Redeveloper created Flint Muehlebach LLC, a Delaware limited liability company, as a wholly owned and controlled single-asset entity to undertake the Project, which entity shall be referred as the “Redeveloper” in the Authority’s documents; and

WHEREAS, by Resolution No. 1-2-26 dated January 22, 2026, the Authority authorized: (i) the issuance of its taxable industrial revenue bonds (“Series 2026 Bonds”) in a principal amount not to exceed \$51,500,000 to finance the Project, (ii) acquisition of the Project and related property upon which the Project is to be built and leasing the Property, together with the Project improvements to be constructed, to the Redeveloper for a term to match the Project’s construction period plus twenty five (25) years, (iii) granting a sales tax exemption incentive on construction materials to facilitate construction of the Project on

behalf of the Authority, (iv) granting tax abatement upon completion of the Project for twenty five (25) years (75% abatement in Years 1-10; 37.5% abatement in Years 11-25) with required payments-in-lieu-of taxes as provided in greater detail in the Redevelopment Contract (defined below), and (v) transferring title to the Property, together the Project improvements as constructed, to the Redeveloper upon expiration of the lease, all for the purpose of eliminating blighting conditions found to exist in the Project Area and in accordance with and pursuant to the LCRA Act and subject to the terms and conditions of the Authority Documents (defined below); and

WHEREAS, the Series 2026 Bonds and the real estate transactions closed on June 29, 2026; and

WHEREAS, the Redeveloper has requested that the Authority consent to the addition of “Specified Swap Obligations” to the Construction Loan Agreement dated June 29, 2026, between the Redeveloper and Enterprise Bank & Trust as contemplated therein.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Commissioners of the Land Clearance for Redevelopment Authority of Kansas City, Missouri, as follows:

Section 1. Deed of Trust Modification Agreement among the Authority, the Redeveloper, and Enterprise Bank & Trust is approved in substantially the form presented to the Board Commissioners on this date.
